TEAL Access

Your request for a user account to access TEA online applications has been processed. You must use the username and password provided below to log on to TEAL. You will also receive additional email message(s) when access is provided to the specific TEA application(s) you request.

After entering the password for the first time, the system will prompt you to change it.

* Your password must be 8-30 characters; must contain the following character types: letters, numbers, and special characters (for example - #, *, \$, or @); must not include your name or your username; must not contain variations of the word "password"; must not contain a character repeated more than 2 times; and must not be the same as your previous ten passwords.

* The system will prompt you to complete your Challenge and Response selection. You must select three security questions and provide answers. These questions are required and will be used to recover your password if you forget or lose it. The answers are confidential and will not be used for any other purpose. Later, if you forget your password, click the 'Forgot your password?' link on the TEAL Login page. The system will allow you to reset your password when you correctly answer the challenge questions that you previously set up. Remember: The answers to your challenge questions are also case sensitive.

* Do not save your password in any browser. If a box comes up asking if you want to save your password, check NO. You are responsible for any use of your login and password, even if it has been saved in your browser and someone else uses it.

NOTE: You will need both your username and your password to access any applications. Do not delete this email without committing your username to memory.

Your username is: Ed.Texan

Your password is:

%JypPj8+

H. Read the email carefully and follow the TEAL access instructions

- a. *Tip: Copy and Paste the username and temporary password rather than typing in the information*
- b. *You will be prompted to immediately change the temporary password and answer security questions*
